

### Scandinavian Design

Vintec products are designed in Denmark and Sweden, with sustainably-sourced premium white oak shelves, fingerprint-proof acid-etched and edge-to-edge glass doors, no protruding handles, minimal touch control panels, signature red bumpers on shelves, and diffused LED lighting throughout.

Vintec 'Classic Black' 120 Bottle Single Zone for cellaring both reds and whites

## Product Benefits & Features

### Stable Temperature

Our wine cabinets maintain a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to the Double Glazed, UV Treated, insulated side panels and interactions between a compressor and thermostat.

- Humidity recycling system
- Security lock
- Energy Efficient R600a Gas
- Winter function for cold climates

### Humidity above 50%

Our wine cabinets incorporate a Thermal Recycling Pump that ensures adequate humidity levels are maintained. The Thermal Recycling Pump works by heating condensed water, which is then introduced as humid air within the cabinet.

### UV Protected Dark Storage Area

UV rays negatively impact the quality of your wine. Our cabinets eliminate this threat by incorporating UV treated tinted glass doors or solid doors, dark interiors and dimmed internal LED lights.

### Vibration Reduction System

To protect the storage life and quality of your wine, our cabinets have been designed to create a vibration proof environment by including an externally housed compressor, rubber shock absorbers and vibration absorbing wooden shelves.

### Quality Air Flow

Our cabinets include internal and external fans to ensure there is a slow reticulated air flow throughout the cabinet

#### Product Specification

Type	Wine Cabinet	BodyFinish	Black
RangeName	Classic	Finish	Painted Black Aluminium
Function	Cellar OR Serve	Hinge	Right
Main Function	Cellar Red & White	Reversible	Yes by customer; charges apply for service
Alternate Function	Serve White or Red	Product Installation	Built-In or Freestanding
ZonesDenomination	Single-Zone	Installation Type	Slot-in
No of Zones	1	Height (mm)	1850
Temperature Range Zone 1 (deg)	6 - 16	Width (mm)	595
UVTreated	Yes	Depth (mm)	595
Lock	Yes	Depth Door Open (mm)	1140
Alarm	None	Air space above cabinet (mm)	90
Display Panel	Ribbon Thermometer	Air space at sides (mm)	35
Internal Heater	Yes	Rear Spacer (mm)	30
Easy Capacity (Bottles)	120	Ambient Temperature (deg)	5-43
Max Capacity (Bottles)	120	Weight Unloaded	78
Number of Shelves	6	Electricity Consumption (kWh/Day)	1
Shelving Material	Wood	Refrigerant	R600a
Shelving Type	5 Fixed Full, 1 Fixed Half		
AdjustableShelves	Yes		
Lighting	Amber LED		
LightPosition	Top		
Handle	Painted Black Aluminium		
Fridge door opening	Reversible		
Door Type	Glass Door		
Door Construction	Double Glazed, UV Treated
