Pinot Noir
Single vineyard
Harvested at optimum maturity

Aging
13 years in the cellar

Orientation
North-West

Soil
Chalky subsoil in thick layer,
with soil amendment

Le Clos 2009

The Champagne Guide 2020-2021 - Tyson Stelzer 94/100

Amplified in magnitude four-fold, the universes of generosity of site, village, vintage and variety align with metronomic precision in this young-disgorged style. For all of the exuberance that its bright, full straw-yellow hue anticipates, it delivers impressive accuracy and generosity of white peach and lingering spice. Well-balanced acidity and the soft, fine chalk minerality of the vineyard preserve admirable focus and poise.
